

General Booking Conditions 2025

booking and cancellation of ToraTora events

Booking

You can register for a ToraTora event by filling out the registration form for that event. Depending on availability, we will then send you an information email with further details. Your reservation for an event is made when we receive a deposit. A deposit is usually 500-750€ per participant per week, depending on the event.

Cancellation

The first 50€ of your deposit is always non refundable. This is our administration cost in case of cancellation.

If you can arrange for a replacement to come in your stead your deposit can be forwarded to the replacing participant. In case we can fill your slot with someone from the waiting list, your deposit minus 50€ can be refunded. If we don't have a waiting list and you can't find a replacement, your deposit will not be refunded.

If you cancel your participation in a camp, you are liable to pay the following cancellation charges:

- Cancellation up to the 14th day before the first day of the camp: the deposit only.
- Cancellation from the 14th day before the camp up to the first day of the camp: 50% of the total registration fee.
- Cancellation on the first day of the camp (no-show) or later: the total registration fee.

For cancellation insurance, contact your insurance agency.

Exchange rate

Prices for camps in a non-Euro country are based on a foreign currency. The price might be adjusted when there is a change in exchange rate.

Crypto currency

We accept payments in most crypto currencies, using the exchange rate at the time of payment. Standard cancellation terms apply. Cancellation refunds are always processed in Euro.

Liability

ToraTora is a booking agency. Participants carry responsibility over their own safety while skydiving or practising any other sport during a ToraTora event. Participants in ToraTora skydiving events are required to carry a valid skydiving sport licence issued by a national skydiving federation. Third party liability insurance for skydiving is mandatory. Often a third party liability insurance is included in such a sport licence. Medical insurance or travel insurance with medical coverage, valid for the planned activities in the country of destination is highly recommended. Participants should make their own travel arrangements and are advised to take a cancellation insurance.
